

PRESS RELEASE

WOA Community delivers key subject e-roundtables

Brussels 14 February 2019

Over coming months, World of Open Account Community Members will be able to access and participate in a series of world class webinar-based e-roundtables on hot topics led by Industry experts.

As part of WOA's drive to bring high quality, informative content to its members, well known industry names are delivering a range of e-roundtables in the following weeks; for attendees, these events represent the opportunity to listen to experts and to access some of the high-quality learning material for which WOA is rapidly gaining an extensive reputation.

25 February: Receivables as an Asset Class – an introduction

21 March: 2019 Trends and Challenges in SCF

26 March: The Originator's Perspective: Receivables as an Asset Class Part 2

28 March: Blockchain and AI

09 April: Credit Insurance and Receivables Finance

More e-roundtables will be added to this already unique programme of interactive presentations; join WOA now to access this world class content and make sure you and your business are up to date with latest thinking and opportunities.

More information is available on <https://woa.community> or get in touch via info@woa.community.

Ends 14 02 2018

Note for Editors:

WOA – World of Open Account is a new initiative for a global collaborative Community of professionals and companies in Open Account Receivables Financing. WOA's mission is to be the digital home of Receivables Finance: a collaboration-based networking and competence centre for better, safer and more productive Receivables Financing. WOA is a project initiated by Erik Timmermans and is supported by high profile strategic advisors and founding members from the receivables finance industry. Erik was Secretary General of IFG (International Factors Group) from 2005 till 2015 and Deputy Secretary General of FCI from 2016 till 2017. He played a key role in the merger between IFG and FCI on 31/12/15. In March 2018 he received both the Life Time Achievement Award at the BCR RFlx conference and the Leadership in Receivables Finance Award at the Business Money Awards Dinner.
