

Launch of “World of Open Account”

Launching July 2018, there’s a new Organisation to represent the interests of everyone involved in the world of open account receivables finance.

“World of Open Account” WOA is a unique new venture which provides the opportunity for individuals, provider businesses and support companies to participate in a community-based group that will engage, inspire and innovate.

Open and accessible for all, its mission is to be the global collaborative competence centre for better, safer and more productive Receivables Financing.

Inspired by acknowledged Industry expert and association leader, Erik Timmermans, the organisation brings together knowledge and capability with support and input from a broad base of well-known and respected Industry leaders.

This new initiative offers cost-effective digital access to network, knowledge and support with a unique focus on community-based collaboration.

If you want to be part of a new wave organisation that is inclusive, innovative, intelligent, cooperative, cost-effective and credible, then WOA is for you.

Find out more and express your interest through www.woa.community and by contacting info@woa.community.

Ends 01 07 2018

Note for Editors:

WOA is a division and trading name of BZIX Consulting & Management, a Belgian company specializing in advice & services related to Receivables Finance and Association Management, managed by Erik Timmermans. Erik was Secretary General of IFG from 2005 till 2015 and played a key role in the merger between IFG and FCI on 31/12/15. Post-merger Erik was Deputy Secretary General of FCI till 31/12/2017. He started his career in the factoring industry with International Factors Belgium. He has been one of the founders and past Chairman of the EUF. In March 2018 he received both the Life Time Achievement Award at the BCR RFlx conference and the Leadership in Receivables Finance Award at the Business Money Awards Dinner.
